## SPECIALIZING IN HIGH-QUALITY AND/OR TECHNICALLY-CHALLENGING SPECIALTY HEADED AND MACHINED PARTS

### WHAT WE ARE GREAT AT:

- High quality parts, short to medium production runs
- Free certs
- DFARS-compliant material at no extra cost
- Able to meet RoHS-compliant plating requirements
- PPAP Level II and III and FAI certs available when requested at time of quote
- Willing to manufacture sample parts for testing before production runs
- Engineering support available for application questions
